

PUBLIC FORUM ON CHILD PROTECTION

Saturday, May 25th, 2019

Holiday Inn, 33 Petrolia Drive, Gasoline Alley, Red Deer, Alberta T4E 1B3

Doors open at noon / Event is from 1pm to 4pm • Registration Fee: \$25

Tens of thousands of Canadian children and their families are being systematically terrorized, threatened and deprived of their basic human rights at the whim of provincially-mandated child protection agencies, all of which are income-conscious private corporations.

Children are being arbitrarily torn from their families by untrained and uncaring child protection workers, often on the basis of hearsay, rumour, lies, and racial bias. These innocents are then being placed in dangerous situations where they are physically and sexually abused, starved, beaten, and sometimes murdered.

This is happening on a daily basis across the country.

The unfettered power of child protection workers to remove children from their natural families and carelessly or even callously place them in unsafe and sometimes deadly situations has devastated countless Canadian lives and families.

Our so-called child "protection" system is a dismal failure. It does not protect children. It destroys children and their families simply because it has the power and the financial motivation to do so.

Our children deserve better. Families deserve better. It's time to pull back the curtain and set our children and families free.

Something Can Be Done About It !!!

- Hear from families whose children have been neglected, starved, abused, molested and died in CAS custody
- Hear from lawyers who are fighting and winning these cases
 - Find out what your human rights are
 - Oppose these corrupt agencies
 - Take back your family rights

Join with us on ***Saturday, May 25th*** to be a "Voice for Humanity"
